

Please be safe whilst using this toilet and shower block. Keep 1 metre apart from each other where possible

- Before entering, please clean your hands with the sanitiser provided at the entrance.
- Please queue outside 1 metre apart.
- No children under 12 to use this shower block without adult supervision.
- If there is no queue outside the shower block please enter and see if there is a cubicle free. If all cubicles are in use, please return outside and wait.
- The person exiting the shower block has right of way. If you are met by someone please walk back outside to let them pass.
- Once the last person has walked out of the main door you may enter to find the toilet or shower which is vacant.
- Please use the cleaning mops and buckets provided after you have used these facilities and leave them as you would expect to find them.
- We recommend guests bring their own sanitising wipes to further clean before and after each use for extra peace of mind.
- This shower block will have to be closed during the day for a deep clean. Please check the map for your next closest shower block.
- A full deep clean, together with spot checks made throughout the day and your support will maintain the cleanliness of this communal facility.
- If you find any problems while using this shower block, please contact reception or another member of staff.
- These toilets and showers are being cleaned following the latest government guidelines.
